Dear Copier Careers Team,

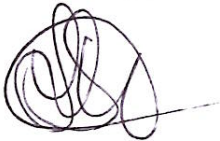

I wanted to let you know how happy we are to have worked with Copier Careers on our most recent hire.

When we first spoke with you, we had been searching for a new sales representative for our Print Audit Premier subscription program but could not find the right fit. When we met with your team, you immediately understood what we needed. Within a few days, you started sending us quality candidates with the right skills and experience for the roll. Your team was able to help us make a hire in a few weeks, something that we had worked on for several months with no success.

I can't say enough about the professionalism of The Copier Careers Team. They provided great information about the candidates and responded to my questions in a timely manner. I understand from the candidates, that your recruiters were very effective in explaining the role and selling them on the attributes of our company. It was a pleasure to work with your team.

I look forward to working with Copier Careers again. With your industry experience and contacts, I know that we will not only save time with our next hire but also find the best fit for our organization.

Sincerely,

Lynn Strocen
